

Parent Education Lectures Slated

A movie entitled "Answering the Child's 'Why'" was the main feature of the Parent Education class at their Monday evening meeting in the Torrance High School Cafeteria. This was followed by a discussion of the subject, designed to show that the proper answering of the very small child's questions prepares the way for good learning habits during his school life, it was reported.

Plans for future meeting of the class include lectures on the proper methods of presenting sex information to the child.

Mr. Milton Babitz, Parent Education Consultant for Calif. State Dept. of Education, will meet with the class on Fathers' Night, January 12.

The Executive Board of the Torrance Cooperative Laboratory School, will meet on Tuesday evening, Jan. 20, at the home of Mr. and Mrs. Robert Kerber, 820 Teri ave.
